Re: *United States v. Williams*, S3 21 Cr. 603 (VEC)

Dear Judge Caproni:

On November 4, 2022, the Government filed letter responses to Terrence Williams's (the "defendant") motion for pre-sentencing release. (*See* Dkt. 638.) That filing contained medical records concerning the BOP's treatment of the defendant's medical issues, which were submitted to the Court via email and marked as Exhibits A and B. The Government understands that the defendant seeks to keep his medical information confidential, which the Government does not oppose. Accordingly, the Government respectfully requests that the Court permit the Government to file Exhibit A and B to its November 4, 2022 letters under seal.

The Government is available to address any questions the Court may have.

Respectfully submitted,

DAMIAN WILLIAMS
United States Attorney
